			b. Aligned with the Chamber's Strategic Objective on Monitoring and Evaluation, the M&M WG shall contribute in the development of a Strategic Framework and an accompanying Indicator Framework to be used by non-government actors to support SDG implementation.										
			<ul style="list-style-type: none">To facilitate this, the M&M WG developed an Assessment Checklist³ to understand the extent of the work of the non-government actors, and appreciate the appropriateness of the measures of performance (outputs and outcomes) they use and how they relate to the SDG indicators regularly monitored by the Philippines (Tier 1 SDG Indicators).Aside from the Indicator Framework, the checklist will also be useful as a reference document in the Updating of the SDG-PAP Mapping of the Stakeholders' Chamber for CY 2024.										

³ The Assessment Checklist of the Measurement and Monitoring WG of the Stakeholders' Chamber hopes to help the Chamber to: (a) identify the specific Goal(s) and Indicator(s) they are supporting; (b) share the programs, activities, projects (PAPs) and strategies they employ in contributing to their priority Goal(s) and Indicator(s); and present the measures of performance and standards or targets to determine the effectiveness of each of the PAP and strategies they employ per priority Goal(s) and Indicator(s). This initiative is in line with the Three (3) Year Roadmap of the Chamber particularly in the development of a ESG indicator Framework.
