

PROGRESS REPORT

Peace, Security, and Governance Working Group

GENERAL UPDATES

- **SDG 16 Engagement** | Identify key areas of engagement per sub-indicator of SDG 16. Siklab shall compile all inputs into a comprehensive report by early May.
- **External Engagement** | Identification of external organizations supporting SDG 16 not part of the chamber.
- **Best Practices** | Sharing of best practices from member organizations on best practices deployed addressing the needs of SDG 16.
- **Collaboration** | Identify action points focusing on key sub-indicators for members to support.

STEPS FORWARD

- Set initial face-to-face meeting with TWG Members and identify regular meeting schedules both face-to-face and virtual within **April**.
- Identification of **potential engagement** with entities and organizations outside of the chamber supporting SDG 16.
- Identification of other collaborative avenues with member organizations of the chamber.
- Compliance with additional reports required by the NEDA Secretariat.
